## **NOTICE**

### **August 10, 2006**

Effective immediately, the Board is withdrawing approval for Cardiopulmonary Resuscitation/Basic Life support (CPR/BLS) providers. It has been determined that CPR providers are not "Associations" as set forth in section 356.1. A review of the California Code of Regulations section 356.1 reveals that the Board is not authorized to approve "providers." The Board merely approves associations such as the American Heart Association and the American Red Cross that can provide certification in training in CPR or BLS.

Should you have any questions, please contact the Board at (916) 263-5355.
